Dunstanborough Castle, Northumberland

Acknowledgement: © Manchester City Galleries

Created by: Joseph Mallord William Turner (artist)

Created: about 1829

Dunstanborough Castle, Northumberland

Object description

Coastal scene with a ruined castle on a promontory in the background, overlooking a bay. Waves crash on to a beach in the foreground to the left where a group of figures crowd round a shipwreck to the left. A figure in uniform mounted on a horse stands beside the group. There are buildings at the foot of the cliff in the middle ground to the left. Reflections can be seen in the wet sand.
